

PRIVACY POLICY

PRIVACY POLICY AGREEMENT

The security of your personal data is important to us. Inzura Technology Service has in place safeguards to protect the personal data provided to, and stored with us. This policy describes how we may collect, use, disclose, process, and manage your personal data. In this policy, “Technology Service”, “we”, “us”, “our” means, collectively, Inzura Technology Service. “You”, “your”, or “yours” means the persons to whom this policy applies.

We take the protection of your personal data very seriously. This policy intends to lay out the most important aspects of data processing with respect to our website.

COOKIES

Cookies are small pieces of information that a website sends to your computer’s hard drive while you are viewing the website. We only use session Cookies (which expires once you close your web browser) to provide information about the number of users accessing the Site. No personal or other type of data is collected.

DATA COLLECTION

“Personal data” is data that can be used to identify a natural person. Some examples of personal data that we may collect are:

personal particulars (for example, but not limited to, name, contact details, residential address, date of birth, identity card/passport details, and/or education details)

images and voice recordings of our conversations with you;

financial details (for example, but not limited to, income, expenses, and/or credit history);

tax and insurance information;

employment details (for example, but not limited to, occupation, directorships and other positions held, employment history, salary, and/or benefits);

information about your risk profile, investments, investment objectives, knowledge and experience and/or business interests and assets;

banking information (for example, but not limited to, account numbers and banking transactions); and/or

personal opinions made known to us (for example, but not limited to, feedback or responses to surveys);

DATA USAGE

We may use your personal data for our core business purposes, including developing and providing products, services, partnerships, and institutions (whether made available by us or through us), including but not limited to:

transactions and clearing or reporting on these transactions;

carrying out research, planning, and statistical analysis;

analytics for the purposes of developing or improving our products, services, security, service quality, and advertising strategies;

assessing and processing applications, instructions, or requests from you or our customers;

communicating with you, including providing you with updates on changes to products, services, partnerships and institutions (whether made available by us or through us) including any additions, expansions, suspensions, and replacements of or to such products, services partnerships and institutions, and their terms and conditions;

managing our infrastructure and business operations and complying with internal policies and procedures;

responding to queries or feedback;

addressing or investigating any complaints, claims, or disputes;

complying with all applicable laws, regulations, rules, directives, orders, instructions and requests from any local or foreign authorities, including regulatory, governmental, tax and law enforcement authorities or other authorities; enforcing obligations owed to us; monitoring products and services provided by or made available through us; complying with obligations and requirements imposed by us from time to time by any credit bureau or credit information sharing services of which we are a member or subscriber;

financial reporting, regulatory reporting, management reporting, risk management (including monitoring credit exposures), audit and record keeping purposes;

seeking professional advice, including legal advice.

We may also use personal data for purposes set out in the terms and conditions that govern our relationship with you or our customer.

DISCLOSURE

We may from time to time and in compliance with all applicable laws on data privacy, disclose your personal data to any personnel of Inzura Technology Services or to third parties, in order to carry out the purposes set out above. Please be assured that when we disclose your personal data to such parties, we require them to ensure that any personal data disclosed to them are kept confidential and secure.

We only keep data as long as required by local regulatory law, fraud, and money laundering requirements.

In some cases, data may be stored or transferred outside consisting of member states. You are deemed to accept and agree to this by using Our Site and submitting information to us.

If we do store or transfer data outside, we will take all reasonable steps to ensure data safety and security under the Data Protection Act 1998. Such steps include, but are not limited to, the use of legally binding contractual terms between us and any third parties.

Data security is of great importance to us, and to protect your data. We have put in place suitable physical, electronic, and managerial procedures to safeguard and secure data collected through our site.

Notwithstanding the security measures we take, it is important to remember that transmission of data via the internet may not be completely secure and that you are advised to take suitable precautions when transmitting to us data via the internet. For more information about the third parties with whom we share your personal data, you may, where appropriate, wish to refer to the agreement(s) and/or terms and conditions that govern our relationship with you or our customer. You may also contact us for more information (please see the "Contact Us" section below).

We wish to emphasise that Inzura Technology Services does not sell personal data to any third parties and we shall remain fully compliant of any duty or obligation of confidentiality imposed on us under the applicable agreement(s) and/or terms and conditions that govern our relationship with you or our customer or any applicable law.

SECURITY

Inzura Technology Services shall endeavor and shall take every precaution to maintain adequate physical, procedural, and technical security with respect to our offices and information storage facilities so as to prevent any loss, misuse, unauthorized access, disclosure, or modification of the user's personal information under our control.

The company also uses Secure Socket Layer (SSL) for authentication and private communications in an effort to build users' trust and confidence in the internet and website use by providing simple and secure access and communication of credit card and personal information.

CHANGES TO PRIVACY POLICY AGREEMENT

Inzura Technology Services reserves the right to update and/or change the terms of our privacy policy, and as such we will post those change to our website homepage at www.inzura.world, so that our users and/or visitors are always aware of the type of information we collect, how it will be used, and under what circumstances, if any, we may disclose such information. If at any point in time Inzura Technology Services decides to make use of any personally identifiable information on file, in a manner vastly different from that which was stated when this information was initially collected, the user or users shall be promptly notified by email. Users at that time shall have the option as to whether or not to permit the use of their information in this separate manner.

ACCEPTANCE OF TERMS

Through the use of this website, you are hereby accepting the terms and conditions stipulated within the aforementioned Privacy Policy Agreement. If you are not in agreement with our terms and conditions, then you should refrain from further use of our sites. In addition, your continued use of our website following the posting of any updates or changes to our terms and conditions shall mean that you are in agreement and acceptance of such changes.
